OUR STORY

Since 1975, Magrudy's has become a central part of Dubai life. Although our flagship Jumeirah store remains the 'spiritual home' of Magrudy's and is still visited by the same customers who shopped with us as children - we have branched out in the UAE and currently operate in Abu Dhabi, Al Ain, Ras Al Khaimah and across various universities as the sole operator of campus bookstores.

Being a family-run business with the needs of the local community always in mind, our **books** are complemented by a wide range of **toys, stationery, greeting cards, arts & crafts materials** suitable for all ages, as well as **school uniforms**. Our stores are welcoming and interesting places to browse and explore and we pride ourselves on offering outstanding customer service.

Education

Since our beginnings as an educational toy and book store, education and learning remains at the heart of our business. Our **Educational Resource Centre** caters to the needs of the UAE's educational community, supplying **textbooks, library services, uniforms** and holding **book fairs**.

Sustainability

Magrudy's was one of the first retailers in the UAE to swap out plastic bags for paper bags and we are always looking at ways to make our business more environmentally friendly. In re-using our tote bags in-store, you will be rewarded with loyalty points.

MANUFACTURING UNIT

Our robust manufacturing unit was established in May 2009 in Al Quoz, Dubai. It is capable of producing both woven and knitted fabrics and can produce **30,000** items per year.

Our work process is as follows:

First stage:

Design development
Fabric Sourcing
Pattern-making

Second stage:

Induction/ pre-production fusing
Embroidery/ sewing

Third stage:

Quality test
Pressing

Delivering

It is of paramount importance to maintain a **constant level of stock** of all existing school uniforms.

Our highly skilled tailors are all trained in **quality control**, allowing them to check all uniforms during production in order to minimise errors.

All fabrics are sourced from **reliable suppliers** guaranteeing us a constant supply to prevent any delay in production.
