

Secondary Extra-Curricular Activities

Term 1 - 2026-2027

**DUBAI
BRITISH
SCHOOL**
JUMEIRAH PARK

DBSJP ECA VALUES

The Extra Curricular Activity (ECA) Programme at Dubai British School Jumeirah Park is designed to inspire, extend and enrich students' learning through well-structured and engaging activities that support physical, academic, creative, global and social development.

The programme ensures high-quality provision for all students by offering opportunities to consolidate learning and explore new experiences across active, creative and academic fields, while also providing exposure to competition for those who are ready within a supportive framework that meets the needs of all learners in line with the school vision of **Enjoy** (clubs for enjoyment such as Chess), **Aspire** (clubs for students developing their skills, such as Basketball Games) and **Achieve** (clubs forming part of the school's competitive programme, such as Swim Squad).

ECAs are meaningful, enjoyable and appropriately challenging, with clear learning pathways and focused tasks, and are inclusive of all students, reflecting the ethos of the school.

We look forward to welcoming your child to the ECA programme and supporting them as they discover new interests, build confidence and enjoy learning beyond the classroom.
