Introduction to the ASA programme

The After School Activities (ASA) at Dubai British School Jumeirah Park offer an extended range of subjects taught by our external providers. We have specialised ASAs that ensure the highest quality learning experience for students of all ages, utilising the facilities here at DBSJP. ASAs are defined as clubs that are paid directly to the provider, for an extra cost in addition to school fees. **To join an ASA, sign up via the Schools buddy app or contact the external provider directly.**

Basketball, Football & Gymnastics

Stryx Sports

The Barca Football ECA provides young players with the opportunity to develop their football skills through the FC Barcelona methodology. Sessions are delivered in a fun, safe, and inclusive environment, focusing on technical ability, tactical understanding, teamwork, and decision-making. Players will build confidence through engaging drills, small-sided games, and match play while learning the core values of respect, effort, humility, ambition, and teamwork that define the Barça philosophy. The programme is suitable for all abilities, helping every player improve while fostering a lifelong love of the game.

The NBA Basketball School trains male and female players across Dubai the "NBA - way". Our basketball development program conducts sessions in a safe, fun, and encouraging environment which covers all aspects of the game by incorporating tactic, skill, small sided games and team building activities as well as NBA methodologies.

Gymnastics is a sport that includes physical exercises requiring balance, strength, flexibility, agility, coordination, dedication and endurance.

Stryx Sports delivers comprehensive programs that will improve your gymnastics skills, flexibility, core function, balance, posture, speed & agility.

Street Dance, Musical Theatre & Ballet

DPA

Street Dance (Y1 – Y4)

A street dance class is filled with energy, rhythm and creativity while improving flexibility, strength, and control. The music is upbeat, often featuring hip-hop, pop or dance beats that keeps everyone moving.

The DPA Teacher will lead the class with a mix of technique and freestyle, teaching a combination of moves depending on the style being taught. The atmosphere is encouraging with students of all levels – beginners to advanced supporting each other. Street Dance is all about expression and having fun with the movements.

Ballet (Y1)

DPA's Ballet classes follow the Royal Academy of Dance (RAD) syllabus. Ballet classes are conducted in a structured environment where dancers refine their technique, flexibility, strength, and artistry.

Engineering Workshop

ETB

Engineering workshops are led by actual engineers from different fields. All projects are designed by our senior team that holds master's degrees in engineering and reviewed by Ph.D. professors.

The students will be building an engineering-based project by going through the entire process from understanding a concept to designing and using different tools to execute their work. The workshops will help the students improve many of their skills such as critical thinking, and problem-solving as well as learn more about the different fields of engineering.

The classes don't use any ready-made kits to offer the students the freedom to be creative with their designs and enrich their understanding. Projects vary based on age and experience.
